INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Institute for Nonprofit News

Opinion

We have audited the accompanying financial statements of Institute for Nonprofit News (“INN”) (a nonprofit organization), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities, cash flows and statement of functional expenses for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Institute for Nonprofit News as of December 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of INN and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about INN’s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor’s Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of INN's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about INN's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

INSTITUTE FOR NONPROFIT NEWS
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF ORGANIZATION:

INN was organized to help nonprofit news organizations produce and distribute stories with impact; to achieve cost efficiencies by pooling resources and services, and to develop new revenue streams that will help member organizations become sustainable businesses.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES:

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

Financial Statement Presentation

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization’s management and the board of directors.

Net Assets With Donor Restrictions – Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

In accordance with GAAP, contributions received are recorded as net assets with or without donor restrictions depending on the existence and/or nature of the transaction. Time-restricted contributions are temporary in nature; therefore, they are reported as net assets with donor restrictions and are then reclassified to be net assets without donor restriction upon expiration of the time restriction. All contributions are considered to be available for use without donor restrictions unless specifically restricted by the donor.

Expenses are reported as decreases in net assets without donor restrictions. Expirations of net assets with donor restrictions (i.e., the donor-stipulated purpose has been fulfilled or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets.

INSTITUTE FOR NONPROFIT NEWS
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES: (Continued)

Cash and Cash Equivalents

Cash equivalents consist of highly liquid investments with an initial maturity of three months or less. Fair value approximates carrying amounts. As of December 31, 2022 INN has no cash equivalents.

Equipment and Furnishings

All acquisitions of equipment and furnishings in excess of \$250 and all expenditures for repairs, maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized. Purchased equipment and furnishings are stated at cost. Depreciation is computed using the straight-line method over their estimated useful lives.

Expenditures for maintenance and repairs are charged directly to the appropriate operating account at the time the expense is incurred. Expenditures determined to represent additions and betterments are capitalized.

Intangible Assets

Intangible assets are amortized over their estimated useful lives, and are reviewed for impairment. The assets are carried at cost less accumulated amortization. For the year ending December 31, 2022, there was no impairment of intangible assets. The net balance of the intangible asset as of December 31, 2022 is \$35,889.

Contributed Services

No amounts have been reflected in the financial statements for contributed services. INN generally pays for services requiring specific expertise.

Revenue Recognition

INN recognizes revenue from membership dues which are nonrefundable and comprise an exchange element based on the value of benefits provided over the membership period (which is normally one year from date the membership is due). Membership fees related to the exchange element of the transaction that carry member benefits which can be utilized in future periods have been recorded as deferred revenue in the statements of financial position.

Income Taxes

INN is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and therefore has made no provision for federal income taxes in the accompanying financial statements. In addition, the Internal Revenue Service has determined that INN is not a "private foundation" within the meaning of Section 509(a) of the Internal Revenue Code. There was no unrelated business income for the year ended December 31, 2022. At December 31, 2022 the Organization's information returns generally remain open for the three preceding years.

INSTITUTE FOR NONPROFIT NEWS
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES: (Continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and contingent assets and liabilities (e.g., the fair value of financial instruments, potential impairments to fixed assets and accrued expenses) at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Fiscal Sponsorships

INN effects change not only through the direct impact of its own programs but also by supporting members who have yet to receive their exempt status. One of the ways that INN does this is by becoming a fiscal sponsor to independent projects to further their mission. As a fiscal sponsor, INN receives donations and provides organization infrastructure, legal and tax-exempt status for the projects for a small fee. The funds received for the projects are restricted and held in a separate bank account. In 2022, INN is a fiscal sponsor for twenty-seven projects.

During 2022, six of INN's fiscally sponsored organizations received their 501(c)(3) determination from the Internal Revenue Service and subsequently ended their fiscal sponsorship relationship with INN. As a result, INN disbursed the remaining held funds to the organizations in accordance with their separation agreements for nine of the organizations. The total funds released to separated fiscally sponsored organizations consist of the following at December 31:

| | |
|--|--------------------------|
| | <u>2022</u> |
| Documented | \$ 15,737 |
| Georgia News Lab | 93,363 |
| The Record of North Shore | 3,091 |
| The Marjorie | 4,963 |
| Indian Country Today | 5,080 |
| Prior separated organizations | <u>552</u> |
| Total funds released to separated Fiscally Sponsored Organizations | <u><u>\$ 122,786</u></u> |

Concentrations of Credit Risk Arising from Cash Deposits in Excess of Insured Limits

In its normal course of business, INN deposits cash with financial institutions which are insured by the Federal Deposit Insurance Corporation. The balance in these accounts will, at times, exceed the insurance limitation. It is Management's policy to review on an ongoing basis the financial condition of the financial institutions in which funds are deposited. At December 31, 2022, the Company had \$6,030,501 that exceeds amounts covered by insurance. Management believes that there is no significant risk with respect to such deposits.
